YAHYA BELGUILA

Digital Developer & Creative Media Specialist

Salé, Morocco | 0777810370 | Ybelguila@gmail.com

PROFESSIONAL PROFILE

Dynamic digital developer and creative media specialist with a strong passion for blending technical architecture and visual storytelling. Experienced in building responsive web applications and e-commerce interfaces using HTML, CSS, JavaScript, and Python. Complemented by a robust background as a commercial photographer and videographer, specializing in high-energy event coverage and striking macro product visuals. Dedicated to practical problem-solving, bridging the gap between sound back-end functionality and highly compelling, user-centric digital experiences.
